SILK ROAD EXPRESS

Stepping onto the Train of Glamour's Silk Road Express is like entering a rolling masterpiece of Han Dynasty aesthetics, where 270-degree panoramic windows frame a 7-day odyssey through the soul of Central Asia. Your journey begins in the labyrinthine alleys of Kashgar, where the scent of saffron and the echoes of ancient bazaars linger, before the locomotive glides eastward across the sun-drenched sands of the Taklamakan and the emerald whispers of the Pamir foothills. As you traverse from the vibrant ethnic tapestry of Xinjiang to the sapphire mirrors of Qinghai Lake, the journey culminates in Xining, leaving you with the profound realization that you haven't just crossed a continent—you've traced the golden thread of history itself.

DAY 2

KASHGAR

After a rejuvenated rest, we make a 3.5 hours drive to the spectacular **Baisha Lake**, a silver-sand oasis sculpted by the wind. On one side lie vast, undulating golden sand dunes of various shapes. On the other, lies a sapphire-blue lake with crystal-clear water, whose hue changes with the light and weather. The lake and white sand mountains complement each other, creating a breathtaking picture.

In the afternoon, we continue to **Karakul Lake** where we enjoy a customized afternoon tea while taking in the views of this "sapphire mirror" at the foot of the snow-capped Muztagh Ata Mountain. The pristine lake perfectly reflects the majestic mountain, blending the blue sky, white snow, and azure waters into one immersive highland panorama.

Finally, we will return back to Kashgar on a 4 hours' drive.

DAY 3

KASHGAR / LUNTAI

We begin the day with a visit to the **Gaotai Ancient Home Residential area**, featuring a labyrinth of well-preserved ancient homes, offering a glimpse into how life was in Kashgar centuries ago. Perched on a 40-meter-high, 800-meter-long loess cliff northeast of Kashgar's ancient city, it overlooks the Tuman River with a steep, castle-like structure. **Participate in an exclusive Kashgar Traditional Handicraft Workshop** (includes a tea break). Kashgar block printing and earthenware pottery are not only valued for their beauty and utility but also represent a millennia-old legacy of diverse Chinese cultural traditions. Later this afternoon, we will visit **Kashgar Ancient City**. Strolling in its enchanting alleys, where the rhythm of life feels untouched by time. The call to prayer from the Id Kah Mosque mingles with the strum of a rawap, while the laughter of children playing echoes past workshops where copper is skillfully hammered. The aroma of fresh naan bread fills centuries-old lanes, and the beat of a hand drum syncs with the very pulse of the ancient Silk Road. This is Kashgar — a perfect blend of vibrant daily life and deep history, where every brick seems to whisper tales from the past.

This evening, we will embark onboard the luxurious **Silk Road Express**, your moving hotel on rails, a one-of-a-kind luxury train experience curated for the discerning traveler. This exclusive journey artfully weaves together oriental aesthetics, the enduring spirit of Silk Road culture, and the allure of undiscovered lands

Our vehicles will navigate this otherworldly terrain, passing monumental Yardang peaks in reddish-brown and dark grey that rise like alien sentinels. Journeying across the dried-up bed of an ancient sea, we'll follow routes reminiscent of the Silk Road. At dusk, the setting sun sets the mushroom rocks aglow. Under a canopy of countless stars, we'll drive with our headlights on, evoking the surreal sensation of piloting a time capsule to Earth's primordial past.

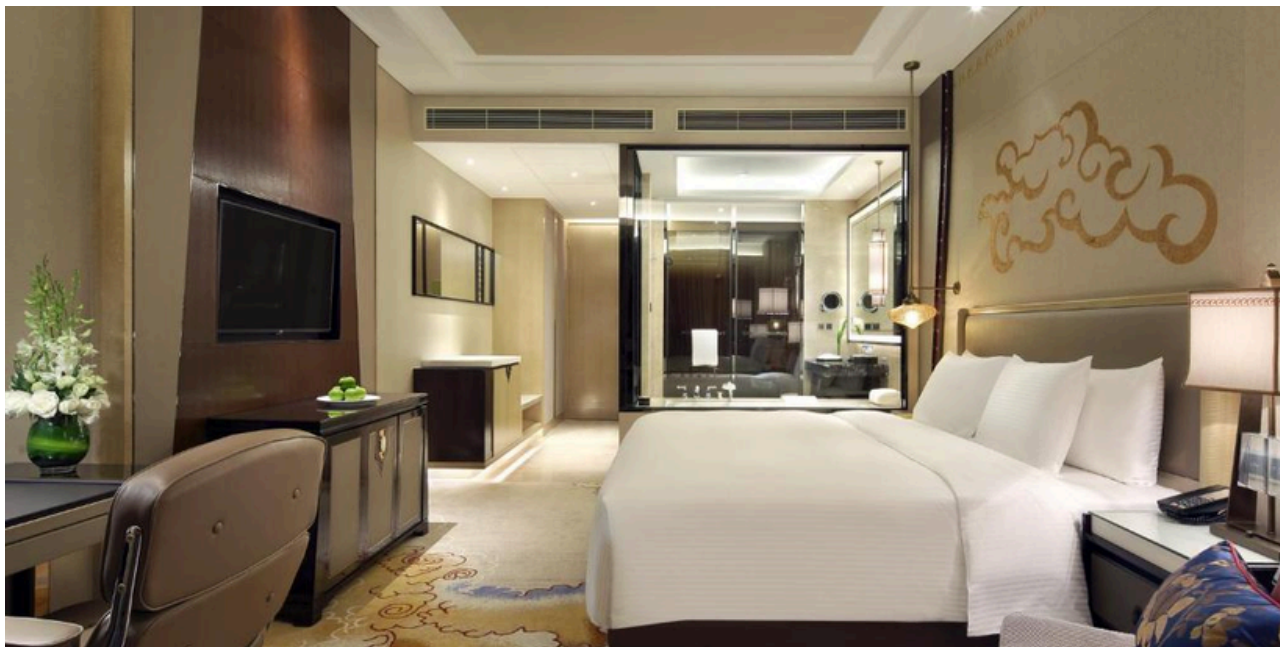

DAY 6

XINING

After breakfast, we will depart to the **Kumbum Monastery**, listed in “the Six Greatest Monastery of Tibetan Gelug” and respected as a holy religious center of Tibet Buddhism in northwest China.
